

CANADA RESEARCH CHAIR IN THE REGIONAL IMPACTS OF GLOBALIZATION

## Workshop on 'Gentrification and urban neighborhood dynamics'

Montréal, April 28, 2017

(c) Bill Bramhall, all rights reserved.

Rapid neighborhood change reshapes cities and affects their local economic and social fabric. This one-day workshop focuses on recent empirical developments in analyzing and understanding different aspects of 'gentrification'. The target audience are academics, policy makers, and practitioners interested in urban neighborhood dynamics.

### Confirmed speakers:

- *Nathaniel Baum-Snow* (Rotman School of Management, University of Toronto)
- *Jessie Handbury* (Wharton School, University of Pennsylvania)
- *Rachel Meltzer* (The New School, New York)
- *Kristian Behrens* (Ecole des Sciences de la Gestion, UQÀM, Montréal)
